

SPRINGDALE PUBLIC SCHOOLS EDUCATION FOUNDATION 2026 FALL GRANT GUIDELINES

INTRODUCTION:

Thank you for your interest in the Springdale Public Schools Education Foundation grants program. SPSEF grants are designed to provide funding for projects that increase learning opportunities for students and reward the creative initiative of teachers. SPSEF grants are funded by generous contributions of the Springdale Public Schools employees who support the Foundation via a district payroll deduction, donations from private individuals, and contributions from corporate partners. SPSEF's mission is to promote and support excellence in education. One way we accomplish this is by attracting private and philanthropic funds to sustain and expand educational programs that fall outside Springdale Public Schools' normal operating budget.

The Springdale Public Schools Education Foundation Board of Directors is made up of members of the community. The grant committee is comprised of educators, business professionals, and other community members.

GUIDELINES:

SPSEF will accept grant requests for any amount up to a maximum of \$2,000 for any grant. Applicants may only submit one (1) grant request. Grants will be awarded based on the quality and originality of the projects/programs. Teachers who apply may be asked to explain their project/program to the Directors prior to the awarding of the grant. Grant money will be distributed and coordinated by SPSEF.

The Foundation will not be responsible for applications that are received after December 1, 2026. Grant awards will be announced on the Foundation Facebook page and on the Foundation Website on December 15, 2026. Grant recipients may be asked to attend a School Board meeting to be recognized as a recipient. All grant funds will be available on December 18, 2026 and must be expended or returned to the Foundation no later than November 30, 2027. Instructions for grant payment will be made available to grant recipients upon award notification. All grantees will be responsible for completing a Final Grant Report Form and returning it to the Foundation by November 30, 2027.
